#### RATING ACTION / OUTLOOK / NATURE OF NON-COOPERATION

Brickwork Ratings has Reaffirms the rating of the long-term and short-term facilities of " Nectar Lifesciences Limited " for Rs. 1215.91 crores to BWR B-/Negative (change in outlook Stable to Negative) /A4 while retaining the same in the Issuer Not Cooperating' category, based on best available information as the Issuer did not cooperate.

The ratings are due for review in Nov 2025. BWR has been consistently taking up with the company to provide required information over emails apart from telephonic communication, but no response has been received from the client. Further, BWR is unable to reach the

banker. The banker's feedback regarding the conduct of the account is not available. Despite the best efforts of BWR to get at least the minimum required information for the review, the entity has not provided the same. In the absence of adequate information from the entity, BWR is unable to assess the firm's financial performance and its ability to service its debt and maintain a valid rating.

The lenders/investors may note to exercise due caution while using the above rating which mentions "Issuer Not Cooperating" since the rating lack any projections or forward-looking component as it is arrived at based on the best available information without any management/banker's interaction

### **LIMITATIONS OF THE RATING**

Information availability risk is a key factor in the assessment of credit risk as generally, non-cooperation by the rated entities to provide required information for a review of the assigned rating may also be accompanied by financial stress. Users of the credit rating should therefore take into account possible deterioration in the credit quality of the rated entity arising from its non-transparency withholding of information required for a review of the rating
